

CENSERS

In this category you may find a multitude of CENSERS (Gr. Thymiato; Sl. Kadillo). Hanging Censer is a metal vessel hung on chains, used in church ceremonies for burning incense. The thurible is usually filled with glowing ember, charcoal and incense. Symbolic of incessant prayer burning incense repels evil spirits, unholy thoughts and impious cravings. Use our censers to establish the awe-inspiring religious mood typical of most Eastern Orthodox churches.
